Description

The 125th birthday of Erich Wolfgang Korngold will be celebrated in 2022. The association wants to dedicate a project rich in associations to this great Austrian composer of the 20th century, which is to take place in the summer of 2022. In addition to the concert as part of the Salzkammergut Festival Weeks in Gmunden, intensive discussions are taking place with the Salzburg Festival. A performance of the same programme is being considered as part of the Festival for the Festival opening in July 2022.
