Lisa Salz

Liesl's Journey to America

Lisa Salz was born in Vienna on 24 November 1934. She managed to escape to the USA with her mother. Her father, who had been arrested in Berlin for attempting to smuggle cash out of the country, wasn't able to follow them to the USA until later. Her brother was given the chance to escape to Great Britain on a transport arranged by the Quakers. Lisa Salz has been living in the USA ever since.
